Summary

ok Main site is dark on bottom
and light on top. ~~There is~~

ok There is a thing which is angled
to the right and up. It could be straight
or curved.

sort of ok There is a straight horizontal line

sort of ok There are dark semi-circular masses
above the horizontal line.

ok There is a light area above the
semi-circular masses.

sort of ok The angular thing seems to be darker
on the bottom than on the top.

sort of ok The sides of the angular thing could
be tubular.

ok The angular thing appears to recede
into the distance.

vis

The angular thing ~~was~~ appeared to be silver or gray.

3.

There appears to be another thing at the site which appears to be a "sphere" on a "tower". The "tower" appeared to be triangular in shape - larger at bottom than top.

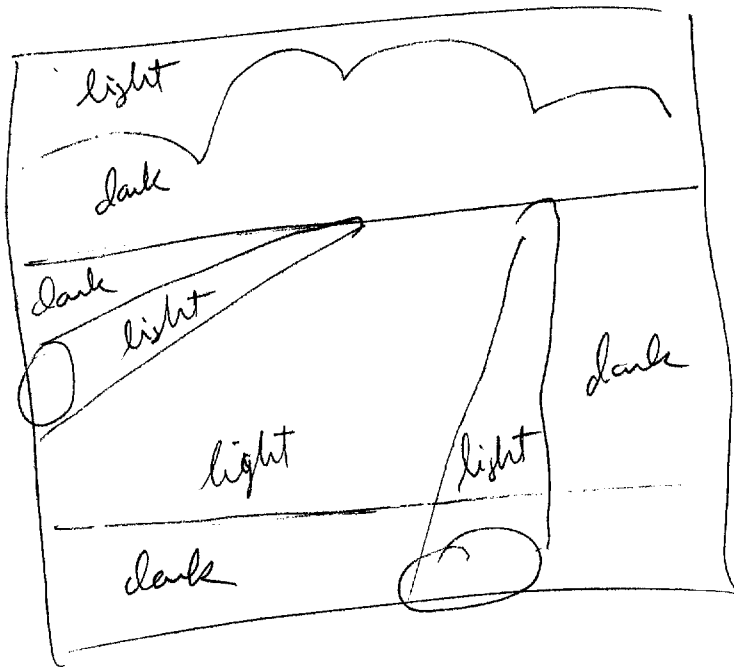

red/white - ok
yellow - orange

The colors reds, white and yellow are associated with the site.

ok

Site contains jumble, confusion, chaos
